

Certified Sports Nutrition Coach (CSNC) Renewal Guidelines

To support NASM's commitment to protect health and safety, the NASM CSNC credential must be renewed every two (2) years. This ensures that NASM CSNC professionals are current with best practice guidelines, promotes continued competence and development of knowledge beyond the levels required for entry-level practice.

CEU Requirement

The number of CEU's required is 1.9.

- CEU's are based on contact hours. *Contact hours* are defined as the number of clock hours spent in direct participation in a structured educational format.
- One (1) contact hour is equivalent to point-one (0.1) CEU.

Renewal Fee

Every NASM credential holder is required to submit payment for a renewal fee to NASM. This fee, paid every two years, is an administrative fee that supports activities required of the NASM Recertification Department. The renewal fee for an NASM credential is \$99. The late renewal fees are: \$30 for applications received up to 90-days post-expiration and \$50 for applications received after their grace period and before one year after credential expiration.

Recertify for Life

The Recertify for Life program is one-time fee of \$399. This will eliminate the \$99 payment every two years. The Recertify for Life program will apply to all current NASM/AFAA certifications that require recertification. One Recertify for Life payment will waive all future recertification fees for the following certifications: NASM-CPT, NASM-ICPT, NASM CNC, NASM CSNC, PTAG-CPT, PTAG-CIPT, AFAA-CGFI, AFAA PGE, AFAA PFT, and AFAA CICI. Submission of continuing education units and completion of the recertification application are still required. Late fees are applicable if the renewal application is submitted after credential expiration.

Expiration of Credential

The NASM CSNC credential will expire if all renewal requirements have not been met by the expiration date. Renewal Applications can be submitted up to one year late *if all continuing education courses have been completed before or within 90 days of the certification expiration date.* Additional fees will apply.

Petition Policy for Continuing Education

Non-NASM-approved continuing education courses can be reviewed by petition only. A \$25 non-refundable administrative fee is required for each course/event petitioned.

Renewal Audit

There will be a random audit performed on all renewal applications submitted. If your application is chosen for audit, you will have 30 days to submit all supporting documentation to the NASM Recertification Department.

Change of Address

Changes in mailing address must be provided to the NASM Recertification Department. You can keep your member information current by logging onto your member page from our website.
